

WG Series

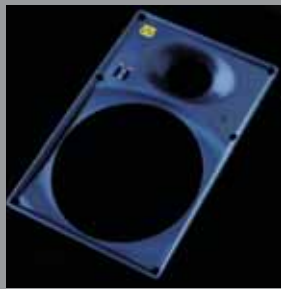

The shape of perfect sound.

In-Wall and Ceiling Speakers

In-Wall and Ceiling Speakers

For 50 years M&S has been the industry leader in designing and manufacturing the finest speakers for home communications and music. The WG Series Speakers were designed to work with state-of-the-art digital music sources to offer the best music reproduction in the industry. We've revolutionized home sound systems with speakers that deliver performance, convenience and value.

Unique WG Series Baffle
horn shape design for
superior sound dispersion.

**Gold-Plated Speaker Terminals and
Rubber Padded Clamps**
improve sound quality and reduce
vibration.

**1" Aluminum Dome
Asymmetric Tweeters**
rotate for uniform sound
dispersion and extended
high-frequency response.

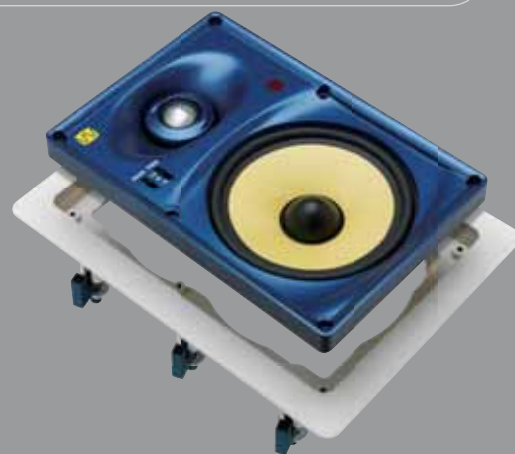

**Adjustable 3-Position
dB Switches**
(± 3 dB bass and treble)
for customized room
installation.

**Kevlar Cone with
Butyl Rubber Surround**
for smoother response and
low distortion.

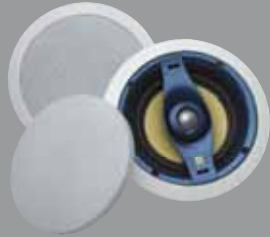

Our advanced acoustic technology offers reliability, ease-of-use and the quality sound you demand. Many rooms have audio dead spots because the speaker can't adjust to the size and shape of the room. But with WG Series' unique baffle design, coupled with our pivoting tweeter, the listener can fine tune each speaker to the room, assuring that there's never a bad seat in the house.

In-Wall Speaker Frame
separates from the baffle for
ease of installation.

Specifications

6-1/2" In-Wall and Ceiling Speakers

	WG100C - 6-1/2" Ceiling Speaker	WG100w - 6-1/2" In-Wall Speakers
Frequency Response	50Hz to 20kHz (+/-3dB)	50Hz to 20kHz (+/-3dB)
Maximum Power Rating	100 Watts	100 Watts
Impedance Rating	8-Ohms	8-Ohms
Overall Specifications	9" diameter	9"W x 12-5/16"H
Specifications	6-1/2" Kevlar cone with butyl rubber surround; 1" asymmetrical aluminum dome tweeter	6-1/2" Kevlar cone with butyl rubber surround; 1" asymmetrical aluminum dome tweeter
Mounting Ring	MR6C (8-3/16" diameter)	MR6W (11-1/4"H x 7-15/16"W)
Grille	Paintable Aluminum	Paintable Aluminum
Color	White	White
Warranty	10-Year	10-Year

8" In-Wall and Ceiling Speakers

	WG150C - 8" Ceiling Speaker	WG150w - 8" In-Wall Speakers
Frequency Response	35Hz to 20kHz (+/-3dB)	35Hz to 20kHz (+/-3dB)
Maximum Power Rating	150 Watts	150 Watts
Impedance Rating	8-Ohms	8-Ohms
Overall Specifications	10-7/8" diameter	10-1/4 W x 14-15/16"H
Specifications	8" Kevlar cone with butyl rubber surround; 1" asymmetrical aluminum dome tweeter	8" Kevlar cone with butyl rubber surround; 1" asymmetrical aluminum dome tweeter
Mounting Ring	MR8C (10-1/16" diameter)	MR8W (13-3/16"H x 9-3/16"W)
Grille	Paintable Aluminum	Paintable Aluminum
Color	White	White
Warranty	10-Year	10-Year
